John,

This confirms our receipt of your payment of \$386.14, which satisfies Noranda's/Falconbridge's payment obligations under the past costs consent decree for the Richardson Flat Site.

Regards,

Mark

Mark — Would you please send some type of confirmation that the payment of the interest component of the escrow satisfies Noranda's/Falconbridge's final requirement under the lodged and entered Consent Decree. I appreciate it so that we can close this file. Thanks. John

Has the interest payment been made?

Thanks,

Mark – As mentioned previously, I do not anticipate that this will be a problem or an issue. Although your letter requests payment by the 31st, I would like to request the opportunity to arrange for payment during the first week of January especially given the fact that most people are on a holiday schedule.

Please let me know if that will be a problem on your side. Best wishes to you and to all listed as copied on this note for the holidays and the New Year. John
